Final statistics on the University of Tulsa's 1959 baseball team reveal a string of broken records compiled by the first charges of Coach Gordon Morgan during their 14-7 season. Bob Foster led the team with a blistering .373 batting average and set new school records for hits (28), doubles (10), runs-batted-in (26), and total bases (52).

Ray Boaz ran his way to a new record for stolen bases in a single season (12) and runs scored (22). Righthand ace hurler Earl Morris equalled the TU record for most victories with a 6-2 mark and authored records for innings pitched (76 $\frac{1}{3}$), complete games (6), and strikeouts (81).

Catcher Steve Strother climaxed a brilliant defensive career for Tulsa behind the plate with a .986 fielding percentage, booting only 2 of 146 chances. Losing only five lettermen—Foster, Boaz, Morris, Strother, and utility infielder, Rex Graves—to graduation, Tulsa has a bright outlook for the future under Coach Morgan.

Hurricane Harriers Foresee Bright Future

By developing a full freshman track program this year, Tulsa looks to an increased number of track meets and a full track team in the future. Highlights of the current spring sports semester will be the OSU, OBU, and North Texas relays and the Missouri Valley conference meet at Wichita. With only two varsity track lettermen in the past season, TU finished fifth in the MVC meet at North Texas State when Gene Estes scored third in the shot put and javeline throw and Sonny Henderson placed fourth in the high and low hurdles.

In the Freshman Telegraphic Meet, outstanding

freshman Bill Brown set a new school mark in the 100-yard dash with a time of 9.7 seconds and won the 220-yard sprint with a 21.6. Bob Newell won the 120-high hurdles in 14.9. The freshmen scored fourth in Valley standings with 34½ points. Charlie Lonechief, a redshirt, also set a school record for the 220-yard dash with a time of 21.4 seconds.

Cross-country competitors at TU scored a fifth-place finish in the Valley. Top runners were Charlie Lonechief, Joe Gibbons, James Caldwell, Joel Davis and Don Hoepner. Track and cross-country coach was Ted Ballard, TU trainer.

Shorthanded on experience and depth, the University of Tulsa racket squad battled through a one-sided season with the hope of rebuilding a stronger team in the future. With only two returning lettermen (Gary Tongier and Dave Bryant), the five-man team was put down successively until the final game of the season. Regular season starters included Terry McGrann, Neal Nixon, Will Goodnow, and Tongier and Bryant. Freshmen H. I. Aston and Jim Lewis did not see action, but figure prominently in the team's future. Probably the high point of the season was the entry of Tulsa in the 41st annual Missouri Valley Conference Tennis tournament held on May 8-9 at Cincinnati. Gary Tongier picked up TU's lone point in the tourney with a singles win. He was later eliminated from competition by the Valley champion.

While TU did not fare so well statistically, the boys did show a marked improvement throughout the year and displayed a sound showing in turning back Arkansas, 4-3.

Linksmen Etch Impressive Win Mark, 12-3

The University of Tulsa golfers arrived in top style by recording a new season record of 12 wins and only 3 losses, topping the previous mark of 10 set by the 1958 team. The team also made school history when they finished third in the Colorado College Invitational Golf Tournament at the Broadmoor Country Club of Colorado Springs, plus its entrance in the NCAA golf tournament in Eugene, Oregon.

Paced by Ralph Baker who fired a season average of 71.9, the team consisted of Fred Lawson (73.7), Jerry Jones (74.3), Larry Casey (74.7), Mark Kizziar (74.1) and John Hyden (77.1). TU placed second in the Missouri Valley Conference to the national champion Houston.

Jerry Jones paced the squad in matches won with 13 victories and only 2 losses. Jones also was second in the MV Conference Golf Tournament, missing the title by only one stroke. The Tulsans were impressively strong all year in racking up their record season, losing only to North Texas State, Oklahoma State and Northeastern. TU will have a strong returning team, losing only Hyden through graduation and Casey by transfer.

In its first year of organized soccer play (1958-59), the University of Tulsa varsity soccer team had a respectable record of four wins, one loss, and three ties.

Team captain, Alex Luppi, proved not only to be an outstanding leader, but a strong defensive and offensive player at the left halfback spot.

Leading scorer for TU squad was Jorge Diaz, the center forward. Lending Diaz ample support from the inside position were Roberto Athayde, right, and Heliton "Spider" Arawha, left.

The dark horse of the season turned out to be Rui Zobaran, who filled in the team vacancy at goalie. Converted from his regular left fullback position, Zobaran played tremendous defensive ball and did much toward "saving" Tulsa's wins and tie games.
